The Society of Arts and Crafts of NSW

Founded 1906 – Trading as

The Society has a long and proud history; many artists have had their work purchased by National and State Galleries and Private Collectors.

The Society encourages craft workers to design and create work, using motif, material and social commentary drawn from the Australian experience and Australia's cultural diversity.

Associate membership is open to residents of NSW who support the purposes of the company, but do not regularly exhibit work for sale in the Society's gallery – CraftNSW. Associate members are invited to attend meetings and participate in all the Society's activities.

The gallery is staffed by volunteers and your participation in the roster would be welcome.

Monthly Newsletters are issued to keep members informed about upcoming exhibitions and events.
