Information documents sent:

The Society of Arts and Crafts of NSW

The Society has a long and proud history; many members have had their work purchased by National and State Galleries and Private Collectors.

The Society encourages craft workers to design and create work, using motif, material and social commentary drawn from the Australian experience and Australia's cultural diversity.

Associate membership is open to residents of NSW who support the purposes of the company, but do not exhibit work in the Society's gallery - Craft NSW.

Associate members are invited to attend meetings and participate in all the Society's activities. After 3 years continuous membership the category will automatically change from Associate to Non-exhibiting membership, a category which gives members full voting rights.

Should you wish to become an exhibiting member, you need to complete a different application form and undergo the selection process outlined in that form.

Monthly Newsletters are issued to keep members informed about upcoming exhibitions and events. A regular e-newsletter is also distributed to our members and to the wider public.

The gallery is staffed by volunteers and your participation in the roster would be very welcome.
