## The Society of Arts and Crafts of NSW – Application for Exhibiting Membership

The Society encourages craft workers of NSW to design and create work, using motif, material and social commentary drawn from the Australian experience and Australia's cultural diversity.

Craft NSW, the gallery of the Society is completely member operated; it is a requirement for exhibiting members who live within and including the area spanning the environs of Campbelltown-Sydney-Wollongong-Springwood and Gosford to participate in the duty roster, currently 24 days per year.

The Society has a long history, tradition and philosophy aimed to keep handcrafts alive. It is not just an organisation that offers work for sale; it is an institution that encourages artists to maintain high standards and ethics and to enable us to continue we need the support of members to participate in the duty roster.

In support of your application for exhibiting membership, please submit **SIX (6)** items of craft for consideration by the Selection Panel. It is also desirable that your application is supported by 6 images of your past work.

The work must be original in design, handmade by the applicant and show a superior skill in finish and presentation. The work **submitted with this application must be the work that is intended to be displayed and sold** in the Gallery. It is not acceptable to submit work that is intended as exhibition work only.

### Please Note:

- All work must be new, recent, priced and labelled according to Craft NSW requirements. No personal contact information is permitted on the work.
- Commission is payable on all sales.

The Society shall take a commission of 27% for members completing 2 days gallery duty per month, 33.5% for members completing 1 day gallery duty per month and 40% for non-duty members, plus 10% GST on that commission (which the Society remits to the ATO). Where the member is registered for GST, commission is charged on the consigned sales price less 1/11th (the assumed retail GST component). This retail GST component is repaid to the member, who is then responsible for remitting it to the ATO. The Board of The Society, with a period of one month's notice, reserves the right to change the commission rate.

**Annual Subscription \$65.00, Joining Fee \$100.00, Name stamp if required \$ 25.00.**  
**Swing tags available for purchase at the gallery.**

**If you would like specific information for your craft, please view the guidelines on our Website.**
